

ABOUT *DunScotus Records*

WHO WE ARE

Duns Scotus Records is a fully independent record label founded in 1996. It is wholly owned by its only artist Garialan Blugraye, Composer and Progressive Flamenco Guitarist. Duns Scotus Records is located in Berkley, Michigan. The management office is run by Madelyn Walters under the name of Blugraye Productions.

Garialan Blugraye's Duns Scotus Records recordings are distributed by a number of different distributors. However, we are committed to working as directly as possible with small, independent retailers – including non-traditional, alternative outlets – to ensure access to our recordings, and of course we sell through our website

For information about contacting Duns Scotus Records or Garialan Blugraye for any reason, please see our [Contact Us](#) page on this site.
