## PRESS RELEASE

It's finally ready! Garialan Blugraye's latest CD release *Picnic Interlude/ Symphony No.2 for Guitar*, from Duns Scotus Records has arrived!

Garialan Blugraye, Composer and Flamenco Guitarist, is best known for his flamenco guitar compositions and recordings. *Fire Rose* released in 1994 and *Duns Scotus/New Age Symphony No.1 for Guitar* released in 1997, which still remain on radio station playlists.

You could call *Picnic Interlude/Symphony No.2 for Guitar* a crossover, but in reality this composition for guitar and symphony was a natural progression that evolved out of Garialan's deep reverence for classical music. *Symphony No.2* was an ambitious undertaking Garialan was compelled to complete by the pure love of the creation. Classical music lovers are sure to be delighted with this new CD available now in record stores, Amazon.com, and our website: [www.Blugraye.com](http://www.Blugraye.com).

To describe this music would be like trying to recall the feelings you experienced in a dream, you can't quite capture the intensity of the emotion—the energy-in-motion!... and yes, if you listen carefully, you will hear a hint of flamenco. This music will transport you!

Yours in Eternal Music,
